Technical Characteristics

| | |
|---------------------|---------------|
| Code | DFT X6 |
| Power supply | 230 VAC |
| Motor voltage | 24 VDC |
| Current input | 0.5 A |
| Leaf max dimension | 5 M |
| Working temperature | -20°C / +50°C |
| Max weight of gate | 750kg |
| Backup Battery | 12 DC 7AH |
| Travel Time (sec) | 8-12 sec |
| Weight | 11kg |
| Max opening angel | 110° |
| Dual speed | Yes |
